A Little History

Chiropractic: The Elusive Definition

Chiropractic Defined

Art. 2 Stevie's Book

“Chiropractic is a philosophy, science and art of things natural; a system of adjusting the segments of the spinal column by hand only, for the correction of the cause of dis-ease.”

Thomas

Our Masterpiece (Volume 39), page 143

“...The Chiropractic profession is on the threshold of the greatest advancement of mankind. As it developed and evolved, mankind will enter into a new era of healthful living which will pave the way for advancement of mankind to the heights of accomplishment and achievement for which he was intended.”

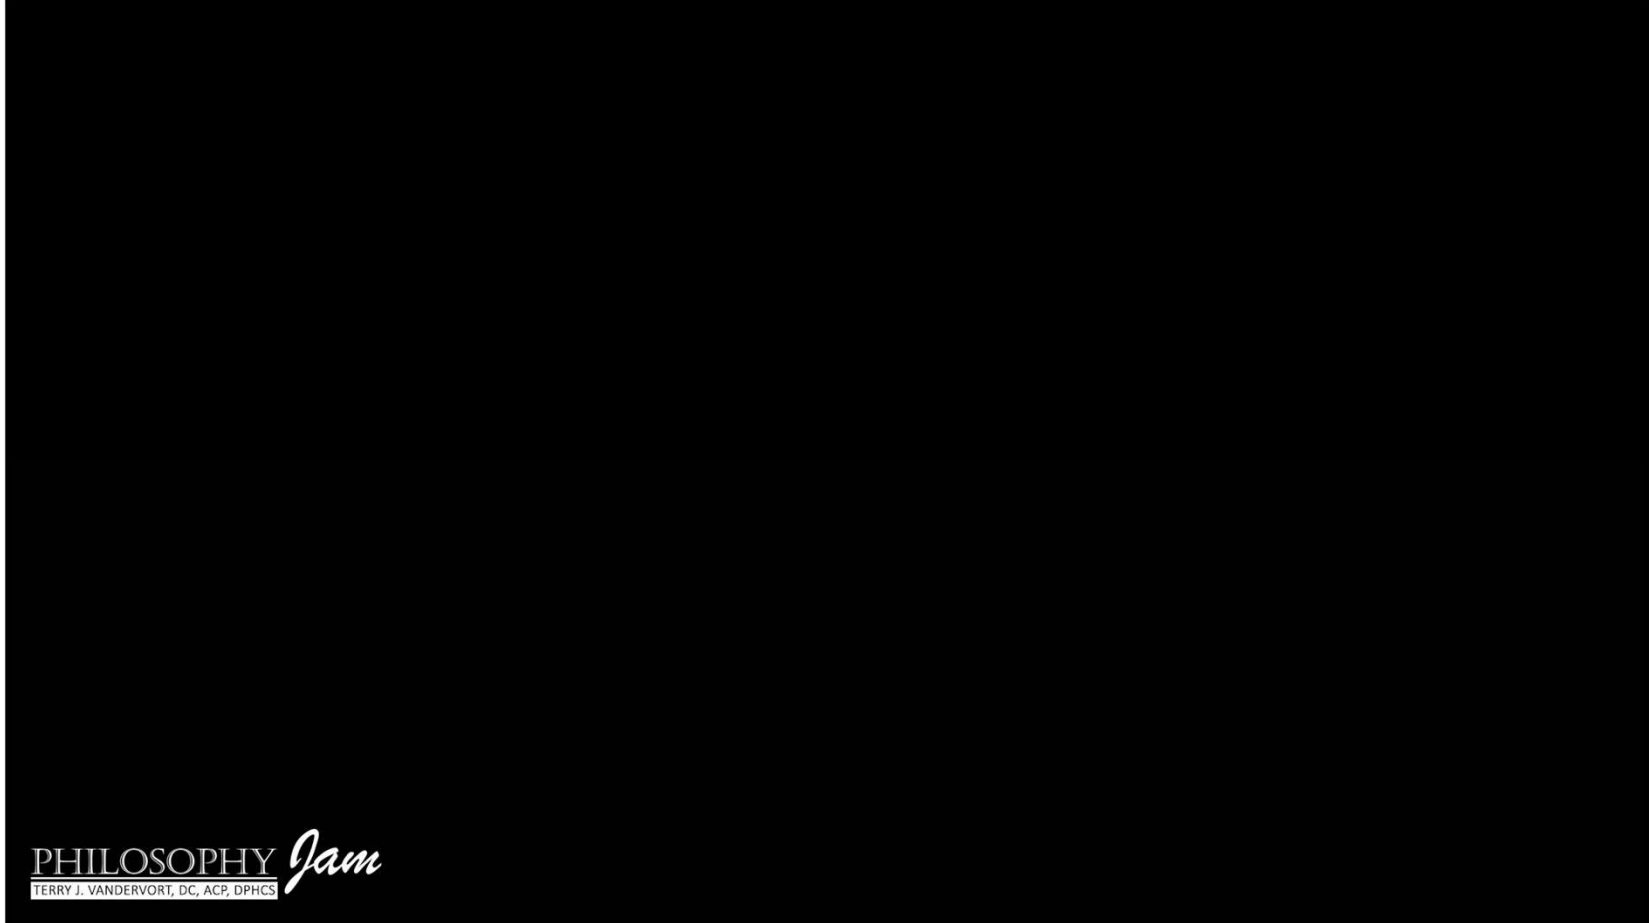

**There is one phrase
that is repeated in the
Bible 365 times...**

We do not have the **right or luxury** to be afraid to speak up, when hundreds before us have been jailed so that we can practice freely today.

PHILOSOPHY *Jam*
TERRY J. VANDERVORT, DC, ACP, DPHCS

From Our Masterpiece (Volume 39, page 142):

“Chiropractors contend no man or group of men will be able to comprehend the limitless factors involved in the working of our bodies and for this reason we come equipped at birth with an “Innate Intelligence” of greater and more infinite wisdom that we can comprehend which, when not interfered with, can successfully maintain our body.”

**Fall In Love With Innate Intelligence
Every Minute Of Every Day And
Watch Your World Unfold...**

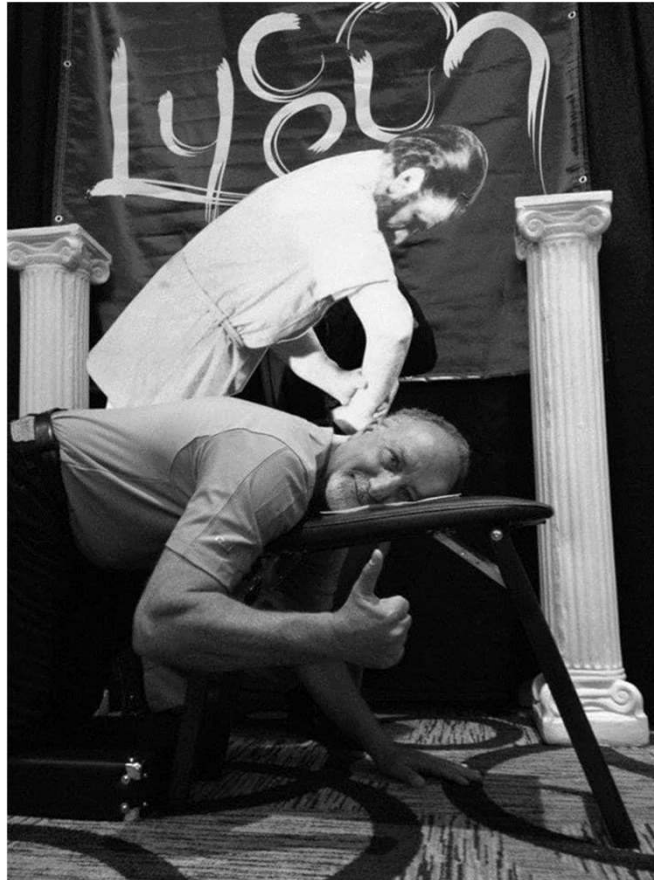

**Change the trajectory
of planet earth...**

**Serve chiropractic with certainty,
confidence, gratitude and a huge
heart, and all else will follow.**

**Are You

A Vaccine Scheduling Solution

A software that's deeply committed to a successful and efficient rollout of the public vaccination.

[Watch Video](#) [Pricing](#)

The image shows a mobile application interface for a vaccine scheduling solution. The background is a solid teal color. At the top, there is a white navigation bar with a back arrow, the time '7:27', the text 'Messages', and a 5G signal strength indicator. Below the navigation bar, the main content area features a blurred blue header, a hamburger menu icon, and the title 'A Vaccine Scheduling Solution' in large white font. Underneath the title is a descriptive sentence: 'A software that's deeply committed to a successful and efficient rollout of the public vaccination.' Two buttons are positioned below the text: an orange button with a play icon and the text 'Watch Video', and a white button with a black border and the text 'Pricing'. At the bottom of the teal area, there is an image of a laptop and a smartphone. The laptop screen displays a dashboard with various data points and a map, while the smartphone screen shows a list of items.
