

# Why would you, a chiropractic student or brand new grad, be interested in the Virginia Chiropractic Association?

## How about practice readiness for just **\$35.00?**

- **E-mail discussion group for:**
  - clinical issues,
  - business management,
  - respected suppliers,
  - doctor referrals,
  - coding and documentation,
  - just about anything you might need.
- **Expanding library of:**
  - professional resources:
  - social media content,
  - patient education materials,
  - research,
  - news and updates.
- **Fun events to:**
  - build camaraderie,
  - keep up to date, and
  - stay inspired.
- **Resources for running:**
  - a cash practice,
  - an insurance-based practice;
  - anything in between.
- **Reliable consultants and specialists to answer your questions about:**
  - laws and regs,
  - best practices,
  - hiring and coaching,
  - compliance, Medicare,
  - more.
- **A unified organization** committed to serving you, whatever your practice philosophy or style may be;
- **Free classified advertising.**
  - Who's hiring associates?
  - Who has office space to share or equipment to sell?

Network with doctors in the areas you want to practice.

Connect with doctors who practice the way you want to practice.

Whether you're exploring Virginia as a possible practice location or want a low-cost way to augment what you're learning in chiropractic college, you'll gain convenient, dependable, support.
